## **CONGRATULATIONS TO D GROVE.** **LIFE MEMBER**

At this year's AGM our David was upgraded to become a Life Member of the Institute, this is the highest grade of membership that the institute bestows on any member. Also the number of Life Members can not exceed 20 members at any one time; it is usually given for outstanding contribution to the Institute (Well he never won it on Recording of the minutes of our meeting!)

David has always been there when something had to be done on behalf of the Deeside Chapter, so on behalf of the members "Thank You" David for being there when you were needed.

The photograph shows David presenting David with his certificate at the AGM (What's that Charley? Oh yes) our David is on the left, and the other David is none other than our past President Mr David Gray!

Who we would like to thank for his term in office Thank you Mr Gray.

Well you lot out there, our Ladies Night has been and gone and what a enjoyable evening it was, a wonderful meal, excellent service and a good disco with plenty of dancing to finish the evening, but I was sadden when I looked about me, with so many one time regulars missing from this venue, thanks must go once again to our "Very Efficient" Social Secretary Mr Brian Edwards for all his hard work, we must also thank the companies that provided us with sponsorship for this event, the photograph shows Our Sponsor Board (Produced by Palm Signs) listing them all.

From left to right in the photograph The Chairman of Merseyside Mr Ged Clarke; the Hon Secretary of Cumbria & North Lanc's, Mr Paul Coward; The Hon Secretary of Deeside (That must be ME!) and our chairman Mr Peter Smyth.

It will soon be time for our AGM (July) so start to think about nominations for Chapter Officers as it is about time that we had some new blood to run our chapter, the chairman would like to stand down so that he can receive his Past Chairman's Tie, Allan Edge has repaid his mortgage, so he can go, there are other vacancies available Social Sec, Lecture Sec, Minute Sec, and of course, The Hon Secretary himself (Rumour has it that he may be suffering from Lead Poisoning but I think it is more likely to be Alzheimer's!!!) the only post not available is that of Chapter Nark, as nobody could do it any better than the one we have, so Charley your position is safe.

*This wonderful and informative Newsletter is not in any way endorsed by the ICWCI indeed not, it is just the ramblings of a Demented Plumber who's only sin was to drop a new Wash Hand Basin and when it hit the floor it "Dam Busted" all over the place!!*
